## NEW! TBS BOOK CLUB

by Colleen Clark  
ICfL Volunteer Services Coordinator

The Idaho Talking Book Service (TBS) will be starting a book club in 2021!

We want to provide you with the opportunity to discuss books and connect with other TBS patrons and volunteers.

The only technology you will need to join the book club is a telephone.

The book club will meet monthly, discussing a different book at each meeting.

Are you interested? Please let us know by contacting your TBS Customer Service Representative at 800-458-3271 or by emailing [talkingbooks@libraries.idaho.gov](mailto:talkingbooks@libraries.idaho.gov), and we will add your name to our growing roster!

More information about this book club will be coming soon . . .

## TBS Player Tips

Your phone isn't the only smart device. The Talking Book Service (TBS) players were designed to be easy to use and to work well for you.

Below are a few helpful hints for using your TBS player to its fullest advantage.

Your player is smart and knows exactly where you left off in each book you are reading or have read previously. This is true even if you are switching back and forth with your cartridges or toggling back and forth between books on the same cartridge.

When your player is turned on but does not have a book in it, you can push any button and its function will be described to you.

If you want to return to the beginning of any book, push the Play/Stop button twice. It is the large, square button at the bottom of the player, in the middle.

You can use the Tone buttons (the top two buttons on the far left) to change the pitch of the narrator.

You can use the Speed buttons (the top two buttons on the far right) to adjust the speed of narration.

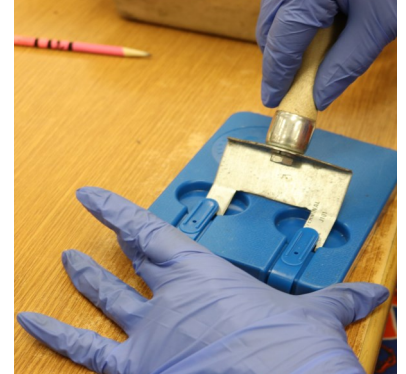

The Sleep button (located above the square Play/Stop button) can be used when you know that you are going to doze off while listening to your book. Push once for 15 minutes of reading before the player will shut off for you. Push twice for 30 minutes, three times for 45 minutes, and four times for 60 minutes.

## Volunteer Spotlight -- Fred Riddle

For long-time Idaho Talking Book Service (TBS) volunteer Fred Riddle, it was just another day at the office -- inventing a time-saving tool for easily opening the cases of the TBS cartridges. The design of these cases makes opening them (times hundreds per day) difficult.

ICfL Shipping/Receiving Handler Linda Cash says, "Fred's tool is not only a time-saver, but it's also a finger-saver. We are so grateful that Fred put his ingenuity to work for us and created this great tool."

There are between 250 and 300 cartridges returned to the Idaho TBS on a busy day, and each case needs to be opened and checked to make sure the cartridge is in good condition before it goes back out to another patron. Fred's handy tool makes this part of the process much quicker and safer for staff and volunteers.

Fred Riddle and Linda Cash

Fred began volunteering at the Idaho Commission for Libraries, home of the Idaho TBS, in 1990, after a 32-year career with Bell Systems. Fred said of his work at Bell, "We were always coming up with tools to save effort and time. It comes with the territory."

When he's not being modest and/or inventing useful tools, Fred can be found repairing the TBS players, alongside his fellow volunteers Shirley Moss and Michael McCullough. The talented trio make sure the players sent out to TBS patrons are in good working order.

## 2021 TBS Calendar

You should have received the 2021 Idaho Talking Book Service (TBS) calendar. If you did not receive yours, please call the TBS at 800-458-3271.

The theme for the 2021 calendar is "Audie Award Winners."

The calendar also indicates the days the Idaho TBS offices are closed for state holidays.

## TBS Website

Have you or a loved one visited the Idaho Talking Book Service (TBS) website?

If not, there is a variety of resources that you might find useful, such as links to audio, braille, and large print titles, the link to the Braille and Audio Reading Download (BARD), and the Shelf Project, which contains hundreds of books about history, geography, and other topics related to Idaho and the Pacific Northwest.

You will also find a link to the Kids Zone, which is a compilation of audio, braille, and print/braille books in the National Library Service collection for preschool through grade 8.

There is also a link to Newsline, where you can listen to more than 300 daily newspapers from across the United States.

Check out the TBS website at: <https://libraries.idaho.gov/tbs>.

## **A Message from Linda**

(Linda Cash is the busy lady who checks in the returning TBS cartridges and sends cartridges out to eager patrons.)

Hi Everyone! I just want to remind you to write your name on all correspondences to the Idaho Talking Book Service (TBS).

Things can get separated in the mail, so any notes or feedback that you write to us should include your name so we can better accommodate your needs.

Also, if you ever need to return your equipment to us, please only use one piece of tape to secure the cardboard box. Excessive taping can destroy the box and the labels we put on it. The box itself is very secure, so just one little piece of tape will do the job. (Plus, we reuse the boxes.)

Thank you so much! I hope you are all keeping well and happy.

## **TBS Talk**

### **by TBS Program Supervisor LeAnn Gelskey**

So, are you enjoying the relatively new Scribe cartridge, which allows  
for several books on one cartridge?

If you have any questions or  
comments about the Scribe  
cartridge, we'd love to hear from  
you. Give us a call at 208-334-2150  
or 800-458-3271.

And we hope you enjoy the crisp fall  
weather.
